# OUR SERVICES

## UK/Global delivery options for you to chose from

### **Tracked shipping**

Experience of handling fragile works, we understand the intricacies of a fully bespoke service and offer a comprehensive collection and delivery solution for all manner of artwork. Every consignment is managed and tracked by our staff from initial enquiry through packing to final delivery through our integrated global network.

### **Packing**

Artwork can be collected and packed, alternatively we can have a case built to specifications and sent directly to the shipper to pack.

### **Paperwork and customs**

Expert advice on customs and clearance paperwork ensures artwork travels through international borders with minimum delay.

### **Insurance**

Specific insurance can be arranged subject to restrictive covenants from insurers.

# WHAT PEOPLE ARE SAYING

“On many occasions I get calls (from other suppliers) and won’t even entertain them, why would I with such a fabulous service?”

“Their team are enthusiastic; friendly and professional, and frequently go above and beyond to meet our needs. We could not be more thankful to have such a responsive and reliable service at our disposal. We trust them implicitly.”

ART GALLERY

“We have full trust that our material is in safe hands... Their excellent customer support and willingness to help is what for us sets them aside from companies such as DHL or FedEx.”

ANIMATION STUDIO

“...what an ABSOLUTE delight it is to work with your company by the way. I’ve been trying to deal with another company over the past week and I could not be more frustrated. So thank you for being such a great supplier...we will never change!”
